Work session discussion.	
<b>Background</b>	
<p>Staff has been exploring the idea of reorganizing the way park facility maintenance is handled. Currently the Park Maintenance Department maintains all City Parks &amp; Trails including the buildings at Harmon and the Sports Complex and various picnic shelters. The Ice Arena, Pool and Splashpad are maintained by Ice Arena staff. The Dome is maintained by an outside management group.</p> <p>The main idea behind the reorganization is to create a clearer and cleaner organizational structure. This would bring a clearer distinction between ‘Park’ maintenance and ‘Facility’ maintenance.</p>
